

Members of the Conception Bay South Fire Department along with paramedics prepare the lone rider of a dirt bike for transport to hospital with leg injuries.

Firefighters, Paramedics, and Police were called to the scene of this motor vehicle accident involving a passenger vehicle and a dirt bike. The collision took place around 8:00 AM on Monday, October 3rd on a residential street at Camp Emmanuel Place in Long Pond. The male operator of the dirt bike was brought to the Health Sciences Center in St. John's to be treated for his injuries. Although the passenger vehicle received considerable damage, the driver was unhurt.
